A BILL TO BE ENTITLED

AN ACT

2 relating to the regulation of sports wagering; requiring an 3 occupational permit; authorizing a fee; imposing a tax; creating 4 criminal offenses; decriminalizing wagering on sports events. 5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 SECTION 1. LEGISLATIVE FINDINGS. The Legislature finds the 7 following:

8 (1) Consistent with a 2018 United States Supreme Court 9 decision authorizing states to exercise their lawful prerogative to 10 license and regulate sports wagering activity, it is in this 11 state's interest to authorize a strict regulatory model for sports 12 wagering.

(2) A legal, regulated sports wagering market will
help to deter unlawful sports wagering and provide for more
regulatory and law enforcement oversight over sports wagering,
while generating revenue to this state;

17 (3) Any sports wagering enforcement and regulatory 18 structure must begin from the bedrock premise that participation in 19 a lawful and licensed sports-wagering industry is a privilege and 20 not a right and that strict regulatory oversight is intended to 21 safeguard the integrity of wagering on sporting events and to 22 ensure accountability and the public trust;

(4) The most expeditious way to legalize sports
wagering in this state and to strictly regulate this activity is to

H.B. No. 2070 1 utilize the resources of the Texas Department of Licensing and Regulation, which has experience regulating business activities in 2 this state; and 3 4 (5) Sports wagering within this state will be vested 5 in sports wagering operators acting under authority of state law and will promote trust and integrity in all sports wagering 6 7 operations. 8 SECTION 2. If it is not feasible to respond before the start of the event, the commission must respond no later than seven days 13 14 after the request is made. 15 (e) If the commission determines that the requestor under Subsection (a) is more likely than not to prevail in successfully 16 17 demonstrating good cause for its request, the commission may provisionally grant the request until the commission makes a final 18 19 determination as to whether the requestor has demonstrated good cause. Absent a provisional grant by the commission, a sports 20 wagering operator may continue to offer sports wagering on sporting 21 22 events that are the subject of a request under this section during 23 the pendency of the commission's consideration of the request. 24 Sec. 2005.205. 2 (b) The commission, and sports wagering operators must 3 maintain the confidentiality of all information relating to conduct 4 described in Section 2005.206(a)(2), (3), and (4), unless 5 disclosure is required by this chapter, other law, or court order, 6 or as authorized by the relevant sports governing body.

7 (c) Nothing in this chapter prohibits the commission or a 8 sports wagering operator from making a confidential disclosure to 9 another sports wagering operator, a sports governing body, a sports 10 wagering regulating entity, a law enforcement entity, or other 11 party for the purpose of preventing or investigating conduct that 12 corrupts or could corrupt the outcome of a sporting event, 13 including match fixing.

14 Sec. 2005.208. DATA SOURCES. (a) Except as provided by 15 Subsection (c), a sports wagering operator may use any data source to determine the results of sports wagers, provided that the data is 16 17 not obtained directly or indirectly from live event attendees who collect the data in violation of the terms of admittance to an event 18 19 or through automated computer programs that compile data from the internet in violation of the terms of service of the relevant 20 website or other internet platform. 21

(b) A sports wagering operator may use any data source for 23 determining the result of a tier one sports wager.

24 (c) A sports governing body may notify the commission that 25 it desires sports wagering operators to use official league data to 26 settle tier two sports wagers. A notification under this subsection 27 must be made in accordance with forms and procedures prescribed by

1 the commission. The commission shall notify each sports wagering 2 operator of the sports governing body's notification not later than 3 the fifth day after the department's receipt of the notification. If a sports governing body does not notify the commission of its 4 5 desire to supply official league data, a sports wagering operator may use any data source for determining the result of a tier two 6 7 sports wager on a professional sporting event of the league 8 governed by the sports governing body subject to the limitations of Subsection (a). 9 10 (d) Not later than the sixtieth day after the commission notifies each sports wagering operator as required by Subsection 11 12 (c), a sports wagering operator must use only official league data to determine the results of tier two sports wagers on professional 13 sports events of the league governed by the sports governing body, 14 15 unless any of the following apply: (1) the sports governing body or its applicable 16 17 designee is unable to provide a feed, on commercially reasonable terms, of official league data to determine the results of a tier 18 19 two sports wager, in which case sports wagering operators may use any data source for determining the results of tier two sports 20 wagers until the data feed becomes available on commercial 21 22 reasonable terms; or 23 (2) a sports wagering operator demonstrates to the 24 commission that the sports governing body has not provided or offered to provide a feed of official league data to the sports 25 26 wagering operator on commercially reasonable terms, according to 27 criteria described in Subsection (e).

H.B. No. 2070 (e) The commission may consider the following information 1 2 in determining whether a sports governing body has provided or offered to provide a feed of official league data on commercially 3 reasonable terms, provided that no single factor on its own will be 4 5 deemed conclusive evidence that official league data is being offered on terms that are not commercially reasonable: 6 7 (1) the availability of a sports governing body's official league data for tier two sports wagers from one or more 8 9 authorized source; 10 (2) market information regarding the purchase, in Texas and in other states, by sports wagering operators of data for 11 12 all sports from all authorized sources; 13 (3) the nature and quantity of the data, including the 14 quality and complexity of the process used for collecting the data; 15 and (4) any other information the commission considers 16 17 relevant. (f) During any time period in which the commission is 18 19 determining whether official league data is available on commercially reasonable terms under Subsections (d) and (e), a 20 sports wagering operator may use any data source for determining 21 22 the results of any tier two sports wagers subject to the limitations of Subsection (a). The commissioner shall make a determination 23 24 under Subsections (d) and (e) not later than the 60th day after a sports wagering operator notifies the commission that it desires to 25 26 demonstrate that a sports governing body has not provided or offered to provide a feed of official league data to the sports 27

wagering operator on commercially reasonable terms. If the 1 2 commission determines that the requestor is more likely than not to fail in successfully making the demonstration under this 3 subsection, the commission may provisionally deny the request until 4 5 the commission makes a final determination as to whether the requestor has made the demonstration. 6 7 Sec. 2005.209. COMMERCIAL AGREEMENTS. Any sports governing body may enter into a commercial agreement with a sports wagering 8 operator under which the sports governing body may share in the 9 10 amount wager or revenues derived from sports wagering on the sports governing body's sporting events. A sports governing body is not 11 12 required to obtain a permit or other approval from the commission to 13 lawfully accept these amounts or revenues. SUBCHAPTER F. TAXES 14 15 Sec. 2005.251. IMPOSITION OF TAX. (a) A sports wagering operator shall pay a tax of ten percent on the sports wagering 16 17 operator's adjusted gross revenue. (b) The tax imposed under this section is due monthly to the 18 19 comptroller and shall be remitted on or before the 20th day of the next succeeding calendar month. If the sports wagering operator's 20 account necessitates corrections to a previously remitted tax, it 21 22 shall document the corrections when it pays the following month's 23 taxes. 24 (c) If the sports wagering operator's adjusted gross revenue for a month is a negative amount, the sports wagering 25 26 operator may carry over the negative amount to a return filed for a 27 subsequent month and deduct this amount from its tax liability for

1 the subsequent month, provided that the amount may not be carried 2 over and deducted against tax liability in any month that is more 3 than 12 months after the month in which the amount was accrued. 4 (d) Any taxes collected under this section and any fees 5 collected by the commission under this chapter that are in excess of what the department and commission need to implement this chapter 6 7 shall be dedicated to providing special education and related 8 services to eligible students in addition to and as a supplement to the funding provided under the Texas Education Code, Section 9 48.102. The special education allotment advisory committee 10 established under the Texas Education Code, Section 48.1021, shall 11 12 make recommendations for the use of these supplemental fees, and the commissioner by rule shall determine the use of these 13 supplemental funds based on the advisory committee's 14 recommendation. 15 Sec. 2005.252. NO OTHER TAXATION PERMITTED. A sports 16 17 wagering operator may not be subjected to an excise tax, license tax, permit tax, privilege tax, amusement tax, sales tax, or 18 19 occupation tax that is imposed upon licensees by the state or any political subdivision of the state, except as provided by this 20 21 chapter. 22 SUBCHAPTER G.
